Dear Colonel Baird:

Speakers from your agency were of material assistance in assuring complete and current coverage of subject matter for the pilot class of the Senior Foreign Officer Intelligence Course completed in November, 1961. The second ten-week class will be in session at this school from 22 January 1962 through 30 March 1962. The class is expected to consist of approximately twenty field grade officers of the following countries: Cambodia, Japan, Korea, The Philippines, Taiwan, Thailand, and Viet Nam.

It would be most appreciated if you would again make your speakers available to present lectures covering the subjects and scopes as indicated in the inclosure to this letter. In addition to the subjects and scopes, we have listed the names of your previously designated speakers, together with the proposed times and dates which we feel would place each presentation in the proper sequence to the other subjects in the course.

The foreign students will be cleared for access to information classified CONFIDENTIAL, and will speak and understand the English language.

I have designated Major William N. Bringham, Office of the Director of Instruction, to coordinate necessary administrative details with your representative in connection with this program. Major Bringham may be reached by telephone at Medford 3-9000, Extension 2221.

I hope that we may again benefit from the services of your speakers, and that each of them will join members of the Staff and Faculty at luncheon on the day of his presentation.

Sincerely yours,

Laurence C. Brown
